- 1966-67: Volunteer, San Francisco Suicide Prevention Center.
- 1966-67: Psychology Intern, U. S. Army, Letterman General (U.S. Army) Hospital, Presidio of San Francisco.

SALIENT TRAINING

Training Analysis: Dr. Gerald S. Frank, 12+ years. Advanced ISP Training: Dr. Philip Curcuruto, 2 years; Dr. Gerald S. Frank, 10+ years. Additional Formal Training: Physiology, Anatomy, Embryology, Biochemistry, Massage, Homeopathy, Hypnosis, "Touch for Health," Chiropractic Theory, Parent Effectiveness Training, Public Health consultation, Group Therapy methods, Human Sexuality, Child Abuse, Child Therapy, Suicidology, plus a plethora of other courses, seminars, and workshops (over 30 year's worth). Memberships: State and local psychological associations; NARTH; NARTSH; American Academy of Pain Management; former member: hypnosis and play therapy associations and Orthomolecular Medical Society; continuing professional education is a minimum of 18 documented hours per year, but usually much, much more; a list of courses taken would be both voluminous and devoid of almost anything but braggadocio.

PERSONAL DATA

Married 1985 to Patricia Joanne nee McChesney; Kathryn Anne born 1992; Luke Joseph born 1994; former music and publicity director, Trinity (Baptist) Fellowship of Berkeley (C.B.A.); member and former Moderator, Community Baptist Church, Red Bluff; avocations include music (keyboard instruments, acoustic bass, & voice), photography and cinematography, writing, computers & desktop publishing, home repairs and construction, stained glass, many sports (full-court basketball thrice weekly), private aviation (commercial license, SEL, with instrument rating), dog breeding (Standard Poodle), pro bono volunteer activities, and reading in many areas, such as history, politics, philosophy, theology, law, medicine, science, & psychology.
